The Chateau window from B.F. Rich is available in double-hungs, two and three lite sliders, picture windows, and architectural shapes. It is designed to provide the features and benefits of a premium vinyl window at a modest price point. The Chateau window line has a fusion-welded master frame and beveled sash design.

## Glass Options

The Chateau window is available with three performance packages:

- Hard Coat Low-E and Argon
- Soft Coat Low-E and Argon
- Green Shield P-x6 Package

Rest assured with a Transferable Lifetime Limited Warranty which includes Accidental Glass Breakage.
